O R D E R

At Wilmington this 29th day of September, 2005, having reviewed plaintiff's motion for partial summary judgment and its submissions related thereto;

IT IS ORDERED that said motion (D.I. 5) is denied, without prejudice to renew, as the motion is based on the fact that defendants have not timely responded to plaintiff's requests for

admissions. The record clearly demonstrates, however, that defendants are not yet represented by local counsel, have been granted an extension of time in which to retain local counsel, and cannot (under this court's local rules) file papers absent the signature of local counsel.
